

Qisda actively participates in various associations related to electronic technology, medical and intelligent automation industries, strengthens the industrial linkage and the development of vertical and horizontal Integration, and optimizes the industrial competitive advantage. Peter Chen, the Chairman of Qisda, has served as the Chairman of Taiwan M&A and Private Equity Council since 2022. He has continuously built a perfect M&A and private equity investment environment in Taiwan, improved the relevant legal environment, put forward policy suggestions to the competent authorities, and conducted extensive exchanges and cooperation with relevant international organizations.

Through the cross combination of associations in various industries, it is beneficial for Qisda to integrate the energy of automation technology, precision machinery, molds, communication, display, materials, information, electrical & electronics, medical, education and service industries, and accelerate industrial upgrading and innovative development.

Under the ESG trend in recent years, Qisda has also actively participated in relevant associations of ESG initiatives, expanding the level of communication and participation in corporate governance, human capital and other issues, connecting with international trends, and practicing the goal of sustainable management.

In 2021, Qisda participated in approximately 30 public associations at home and abroad, with a total expenditure of about NT\$ 2.33 million, and the cumulative total expenditure from 2018 to 2021 was NT\$ 7.7 million.
